

McGill

McGill Physics Hackathon Consent form

We are pleased to know that you (or your child) is interested in participating in the McGill Physics Hackathon (MPH). This event's objective is to promote physics and computational skills for physics students. The event consists of an in-person opening ceremony, which will be held at McGill University on November 5th, 2022, with the virtual Hackathon occurring from 1 PM November 5th to 1 PM November 6th.

In-person

The opening ceremony for the MPH will start at **10 AM on November 5th**, with presentations from the organizers and networking opportunities for the participants. Snacks and beverages will be served nearby at sponsor and organizer booths. The talks during this session will also be streamed over Zoom.

Virtual

After the in-person opening ceremony the Hackathon will begin online, where all interactions with organizers and volunteers will occur in our *Discord* community. All participants and volunteers must agree to our code of conduct

(https://www.hackathon.physics.mcgill.ca/code_of_conduct.pdf).

For you (or your child) to be able to participate, please complete the following:

Participant's first and last name: _____

Email address and phone number: _____

Emergency contact's first and last name: _____

Emergency contact's phone number: _____

For participants 18 years and over:

The participant will: (Check all that apply)

Attend the MPH opening ceremony in person.

Attend the virtual MPH on *Discord*.
